We assist with uploading all content, make thumbnails, descriptions, subtitles and make it accessible to your audience.

Advertisement

We help push out your class to more than 250.000 registered users who seeks to improve at their favourite video games.

HOW EARNING WORKS

MONETISATION

Earning Revenue

GamerzClass operates under a subscription model, which means that students pay a monthly or annual fee for a **GamerzClass Membership**, which includes unlimited access to our entire catalog of classes, and other membership features like offline viewing through our mobile app.

We compensate teachers for every minute watched by Premium students in their classes and for every student they bring to GamerzClass through their referral link. How does it work?

1. Earn Premium Referrals: Get \$10 for every student you bring to GamerzClass that signs up for a Premium Membership.
2. Earn Royalties: Earn royalties based on the number of minutes watched in your classes every month.

Our top creators make over \$85,000 a year!
